This matter comes before the Public Service Commission of South Carolina (Commission) on the request of Texas HomeTel, Inc. d/b/a 877-Ring (Texas HomeTel or the Company) to cancel the Company's Certificate of Public Convenience and Necessity to provide telecommunications services in South Carolina. A review of the Commission's records reveals that the Commission granted Texas HomeTel authority to provide local exchange telecommunications services in the State of South Carolina by Order No. 2001-422, dated May 7, 2001. The Company's Certificate was cancelled by the Commission's Rule to Show Cause Order No. 2007-198, dated March 29, 2007, in Docket No. 2006-396-C.

By letter from the Company's president, filed April 23, 2007, Texas HomeTel seeks cancellation of the Company's Certificate. The Commission finds and concludes that Texas HomeTel's Certificate of Public Convenience and Necessity to provide telecommunications services should be, and indeed, has been cancelled by the Commission as noted above.

IT IS THEREFORE ORDERED THAT:

1. The Certificate of Texas HomeTel, Inc. d/b/a 877-Ring has been cancelled, and the Company, if applicable, remains responsible for any assessments due during any year that the Company has operated in South Carolina.

3. This Order shall remain in full force and effect until further Order of the Commission.
